(Affiliated to the N. S. W. Amateur Athletic Association)

Founded 1921.

THIRTEENTH ANNUAL REPORT AND BALANCE SHEET
for the year ending 28th February, 1934

OFFICE BEARERS

PATRON:

J. J. Walsh, Esq.

President:

H. A. Taylor, Esq.

SENIOR VICE-PRESIDENTS:

Ald. S. Binder, F. Matson, Senr., W. Button, Senr.

VICE-PRESIDENTS:

A. Gainsford, J. A. Harris, G. Hasler, Senr., R. B. Casimir, G. Allen,
W. Townsend.

HON. HANDICAPPERS:

Distance:

B. C. Button

Track: H. Llewellyn

Field Games: W. McKenzie

DELEGATES TO THE N. S. W. A. A. A.

H. Bennett, M. J. Moroney, G. Collins (Resigned) 9th October, 1933.

CAPTAINS:

Track: W. McKenzie

Cross Country: B. C. Button

Vice Captains:

H. Bennett

A. Gainsford

Hon. Auditors:

Ald. S. Binder,

J. A. Harris

TIMETAKERS:

M. J. Moroney,

F. Williams,

W. Button, C. Gould

JUDGES:

G. Allen, W. T. Pearce,

G. Hasler, A. Gainsford,

W. Townsend, Senr., F. Keep, Senr.

POINT SCORERS:

Track: A. Bosser

Distance: W. S. Brooke

Starter:

E. J. Brooke,

Deputy Starter: R. Williams

Local Secretary:

E. J. Brooke

LIFE MEMBERS:

A. Gainsford and

W. J. Hasler

CHAIRMAN:

A. Gainsford.

HON. TREASURER:

E. E. Giles

HON. SECRETARY:

W. J. Hasler.

ANNUAL REPORT

PRESENTED TO THE MEMBERS OF THE ST. GEORGE DISTRICT AMATEUR ATHLETIC CLUB
AT THE THIRTEENTH ANNUAL MEETING HELD IN MRS. COLVIN'S HALL, HURSTVILLE,
ON THE 26TH MARCH, 1934.

Gentlemen,

In presenting the thirteenth Annual Report and Balance Sheet for the year ending 28th February, 1934, I must draw particular attention to the strange contrasts that prevailed in the Track Season just completed. To emphasize this I herewith commence with a general summary of the Club's activities for the year, and in doing so I hope that the members will more fully realise the nature of the Club's failures and successes.

SUMMARY - Throughout the winter the Cross Country Team competed with marked success, more especially in the championships. It was a splendid achievement to wrest the cross country honours from the powerful Western Suburbs Club. The men mainly responsible for this recovery were the Gainsford brothers and H. Gibbons, but, of course, the remaining members of the team were vitally necessary. The three mentioned athletes filled places in both title races and were the most consistent runners of the team. Gordon Keep was selected to represent N. S. W. in the Australian Championship, and he covered himself with glory. A few weeks later he ran much below form in the 10 miles event and could not make the team. Lawronco, Flood, L. Johnstone also ran well in a lesser degree, but Club Captain Bort Button did not show consistent form by any means. Strango to say, he ran an excellent race in the 10,000 Metres' C. C. C., but his form was not good afterwards. Part of the time sickness hampered him, but I do not think his training schedule assisted him very much. Ron. Sleigh's effort in the 10 Miles' event for a first-year athlete was very good, and he with H. Gibbons and W. Lawrence will be probably the most improved men this year. G. Gosling will most likely prove one of our strongest novices this year, as he ran well in this race last year. At the present juncture it looks as if the distance runners should retain their honours in the coming season.

Out track season was marked by brilliant achievements and doleful failures. Three of your members competed in the National Championships, winning four titles. These are the first to be recorded in the Club's history. No other Club in Australia can claim a greater number of National Champions at the present time, yet your Club were hopelessly outclassed in the inter-club Ogilvie Cup and Dunn Shield Competitions. To my mind two things are principally responsible for this: lack of members' co-operation, and the extremely bad weather met with at our mid-week meetings. The attendances at the latter were poor generally, which made it difficult to get the teams together. Further, the breaks in our mid-week programmes also mitigated against team combination. At the same time members did not always make a keen endeavour to rectify matters when possible. I refer mainly to the lack of initiative on the part of athletes. Good club men should always know when they are wanted, but it was noticeable that a number of our men had to be continually impressed with this fact.

Individually, B. Shieles, W. McKenzie and B. Dickinson must be given pride of place. These three great athletes performed most consistently, and their high honours gained were richly deserved. As the records show, Bert Shieles improved definitely as a hurdler, and he is still capable of further improvement. His regular training is a model that all club members should follow. Incidentally, it is the specialisation of our three champions that has brought such great results. G. Keep disappointed, his display being very in and out. Keep has his own idea of running, but he would be wise to emulate the sounder methods adopted by this State's older athletes. Keep has certainly got the ability.

The sprint section of the Club was generally very weak. Carey, possibly the Club's best man, does not train seriously. The one bright spot was the fine efforts of Junior Don Pegrum who in the Club Championship this

year improved 4/5ths of a second on last year's time. This lad shows great promise and should do very well next year. Oscar Matson proved once again a splendid Point Scorer and he richly deserved his Discus Throw title in the Dunn Shield. With McKenzie in this event and Shieles in the Javelin Matson completes, possibly, the best double in these events in Australia.

In the jumping section D. Davies showed definite promise, whilst J. Critchley improved remarkably over 440 yards. He proved the best the Club had available during the season. Yet again it is in the Juniors that our hopes for the future are centred. G. Nann proved a remarkable runner for his size, and although this fact may be against him, I am sure his future is going to be very bright. Competing in his first year, B. Wallis quickly established himself as the Club's best high jumper. He was actually the find of the season and it is to be hoped that he will continue to follow the sport keenly. H. Gould became the fourth athlete to win the Junior State Hop, Step and Jump title. He has little experience at present, but with proper coaching should record much improved figures. In the Field Games, yet another Junior in G. Waddington stands out. He also has only been competing in this section a short while. R. O'Connor, J. Chessser and J. Mumford are also juniors who have shown promising ability.

Thus, despite this contrasting season of 1933-34, I feel sure that the mistakes made this year will prove the stepping stones to success next season.

Membership: Financial Members = 50. (1933 = 76) (1932 = 79).

Distance Season - Club Events: Handicaps were held throughout the Winter, the average being . H. Gibbons repeated his 1933 success by winning the point score, a feat that has not been recorded before in the Club's history.

5 Miles Novice Club Championship: Held at Kensington Racecourse, 24th June, 1933. Improving in every run Harry Gibbons (28m. 35s.) carried off this race in fine style. He showed a splendid improvement on last year's effort, when he did not gain a place. Second man L. Johnstone (28.48) also ran well, considering this was his first year in Athletics. W. Lawrence (28.53) third and A. J. Townsend (29.1) fourth filled the remaining places. Gibbons' great run broke G. A. Keep's course record by 40 seconds, the latter athlete creating a senior record of 28mins. 9secs. in winning the senior race.

5 Miles Senior Road Championship: Held at Hurstville, 29th July, 1933. Gordon Keep retained his title after a splendid run defeating past champion A. Gainsford by a good margin. Keep's time was 28 mins. 13 secs., which is 21 seconds outside his own record. Gainsford recorded 28 mins. 47 secs., with B. C. Button 26 seconds further back. The sealed handicap was won by R. Sleigh.

10,000 Metres Club Championship: Held at Hurstville. Showing splendid form, Alleyn Gainsford somewhat surprised by winning this title as Gordon Keep was considered the probable winner. Keep had just returned from Melbourne where he had competed with distinction in the Australian Championship. In our own title race, however, Keep ran much below form and both Gainsford and Gibbons beat him to the post. After so many years of running Gainsford's form was certainly excellent.

Open Handicaps: The annual fixture of your Club was again held over the 4 miles course at Hurstville, cross country, and resulted in an easy win for the South Sydney athlete A. Morgan. There were 101 entries of which 87 started. Running from scratch State champion, J. H. Sheaves, recorded a great performance to finish in 2nd place and also registering fastest time. E. Thornton (R. K.) filled 3rd position. The race entries created record figures for the Club.

History was repeated in the Eastern Suburbs' $2\frac{3}{4}$ miles race, when G. Keep broke his own course record by 1 second, after his clubmates had failed to win the event. Last year, Keep recorded 13 mins. 53 secs. and finished in 17th place. On this occasion he filled 11th position. G. Gosling filled 3rd position.

On 24th June at Canterbury your Club unsuccessfully defended the Winn Cup, losing to Western Suburbs. In this race St. George failed badly, G. Gosling in 11th place being the first man to finish.

It was not until the last open event of the season that success came the way of a St. George member, when Ron Sleigh won the Concord Jubilee Cup. Sleigh was competing in his first season and he surprised by the marked improvement he showed to win. He certainly ran well.

New South Wales Championships - Novice C. C. C.: Held at Kensington Racecourse, 1st July, 1934. For the second year in succession St. George members had to be content with the role of runners-up, this time to Randwick-Kensington. The individual title went to C. Hall (Eastern Suburbs) who beat your club mate Harry Gibbons by the narrow margin of one foot. It was a great struggle, the St. George man running the race of his career, going down to a great athlete. The team finished as follows:- H. Gibbons, 2; L. Johnstone, 9; W. Lawrence, 10 and G. Gosling, 13.

10,000 Metres Championship: Held at Randwick Racecourse, 22nd July. The Title was once again retained by J. H. Sheaves from W. J. Hyland and D. Roddan. The teams race proved a triumph for St. George, who defeated the title holders Western Suburbs by 12 points. Victory after 5 years of non-success. Gordon Keep led the team home, filling 5th position, a few yards ahead of the Club's stalwart, A. Gainsford. This great runner was practically making a come-back after his sojourn in Victoria, his effort was a sterling one, and it was fitting that he should be in the team once more on the occasion of its success. Keep's great run entitled him to selection in the New South Wales team for Melbourne to compete in the Australian Championship. Bert Button rose to the occasion, gaining 9th place, whilst the other members of the team ran as follows:- H. Gibbons, 11; W. Lawrence, 12; S. Gainsford, 13. The Gainsford brothers were the only members of the last successful team in 1928. The "B" team went down to practically a South Sydney "A" Grade team, but the "C" team retained their 1932 title.

10 Miles Championship: Held at Randwick Racecourse, 19th August, 1933. The unsurpassed Jack Sheaves retained his honours with the greatest of ease from R. Reddan and your club mate A. Gainsford. The teams race provided a tense and close struggle, St. George finally winning by the merest of margins, one point. This was a great performance when one takes into consideration the deplorable effort of G. Keep and the absence of W. Lawrence and B. Button through sickness. Stan. Gainsford and H. Gibbons ran well to fill 9th and 11th positions, but the surprise of the race was the great effort of Ron Sleigh who saved the team from defeat. This was Sleigh's first attempt at the State Championships and his effort was one of great pluck and promise. A. Flood and L. Johnstone completed the team, running 20th and 21st respectively. The final points were St. George, 53 and Western Suburbs, 54. The "B" team again went down to South Sydney.

Australian 10,000 Metres C. C. C. Championship: Held in Victoria, 5th August, 1933. This race was of special interest to St. George, and Gordon Keep was representing New South Wales for the first time in his career. He ran a great race filling 7th position and materially assisted his State to win the coveted Team's Title from Victoria who before the race appeared invincible. The Olympic runner, W. Barwick, defeated Sheaves (N.S.W.) for the individual title after a great race. W. Hyland 4th and C. Patterson 5th were the other members of the successful "Blue" Team. This was certainly a magnificent start to Keep's representative career.

N. S. W. 15 Miles Championship: Held at Manly, 9th September, 1933. A. Gainsford, of your Club, made a reappearance in this race after three years absence and it was hoped he would be able to carry on where he left off, as champion. These hopes were dashed to the ground when R. Bateman the new champion proved too hot for the Illawarra-ite. Gainsford may not have run quite up to his old form, but Bateman has probably developed into this State's best marathon runner and he ran a sterling race. Apart from Gainsford, St. George men failed and the team's race was well won by South Sydney.

TRACK SEASON

Club meetings were held at Hurstville Oval as usual, but exceedingly bad weather practically ruined the season's programme. Barely 50% of the available nights were fine, whilst on two occasions events were conducted in pouring rain. Enthusiasm and attendance suffered. It was only to be expected. The point score to date stands as follows:-

<u>Running - Seniors:</u>	W. Lawrence 47 pts.	B. Shieles, 36,	J. Bennett, 34.
<u>Field Games</u> -	B. Dickinson 38 "	C. Gould, 29,	L. Hewitt, 20.
<u>Juniors</u> - -	J. Chesser, 60 "	R. O'Connor 36,	D. Pegrum, 30.

Inter-Club Competition: "A" and "C" Grades were contested by your Club, but success was not forthcoming. The "A" Graders fell to their 1931 level when they failed to win a match. In "C" Grade a weak attendance for the opening match brought a defeat, which cost the team the competition. They were runners-up with one defeat. The most pleasing feature of this team was the success of the Juniors, notably G. Nann and D. Pegrum. The "A" team badly missed the services of A. Blyth, whilst several other stars failed to reproduce last year's form. Bert Shieles was the outstanding point scorer, and easily the best all-round athlete.

State Championships: Held at the Sports Ground, 6th and 13th January, 1934. St. George did not meet with much outright success. W. McKenzie winning the only title with a great throw of 128ft. 10 $\frac{1}{2}$ ins. in the Discus Championship. He also filled second place in the Shot Putt, losing to W. Plummer by 5 inches. Basil Dickinson met Jack Metcalfe in an irresistible mood and had to be content with minor placings in the Broad Jump and Hop, Step and Jump. His latter effort of 49ft. 2ins. was great jumping, whilst he cleared over 23ft. in the former. Bert Shieles hurled the javelin 176ft. 4ins. to gain 2nd position to G. Bronder. This throw was the best ever recorded by an Australian born athlete. O. Matson filled third place in both Discus and Javelin.

Junior athlete George Nann scored the most popular victory of the meeting when he won the Junior 1 mile run title. His time, 4mins. 33 $\frac{1}{2}$ secs., equalled the State record. The little chap ran a very clever and well-judged race, deserving the plaudits of the crowd to the full. H. Gould sprang a surprise by winning the Junior Hop, Step and Jump with an effort of over 44ft. G. Nann and B. Wallis scored minor placings in the 880 yards and high jump respectively, whilst R. O'Connor ran 3rd in the 440 yards flat.

Australian National Championships: Held at Adelaide Oval, 27th and 29th January, 1934. At the conclusion of the State Championship meeting, the New South Wales team was selected and W. McKenzie and B. Dickinson had both been included. This is the first occasion St. George has gained representation in a track team which has competed outside of this State. In addition, your Club recognised Bert. Shieles' fine javelin throw by also sending him to South Australia with the team. Hopes for success were high, but the results easily surpassed the expectations. Bill McKenzie was a dual winner, taking out the Discus Throw and Shot Putt. The respective efforts were 126ft. 7 $\frac{1}{2}$ in. and 42ft. 4 $\frac{1}{2}$ ins. Shieles amply justified the Club's confidence by winning the Javelin Throw at 182ft. 8ins, only a few inches short of the record, and an increase on his own Australian born record. Perhaps the finest perform-

ance was that of B. Dickinson in the Hop, Step & Jump. Earlier in the week he badly sprained his ankle while training. This caused his withdrawal from the Broad Jump on the first day and seriously interfered with his performances in his favourite event. Despite this handicap Dickinson won the title with a leap of 47ft. 4 $\frac{1}{2}$ inches, a South Australian record. N. S. W. lost the Shield to Victoria by one point, but St. George men certainly did their share and more. Thus the year 1934 sees the first Australian Champions of the Club. In winning four titles the 3 St. George athletes created a record that no Club in Australia can claim since the Great War. It is doubtful whether any organisation has bettered this feat in the Athletic history of Australia. In any case the opposition today is considerably stronger, which reflects added credit to our champions.

Ogilvie Cup: Held at the Sports Ground, 10th February, 1934. Won by University with Western Suburbs second. St. George filled 5th position, an inferior placing to last year when they finished 3rd. Despite this fact your Club gained three titles, which is one more than last year. The events won were Discus, Javelin and Shot. Australian Champion, W. McKenzie, was partnered by Arthur Nies in the latter event whilst the genial veteran O. Matson teamed with the Champion in the Discus. He also assisted Bert Shieles to win the Javelin. The two jumping titles won last year, were lost owing to the enforced absence of B. Dickinson through injury.

Dunn Shield: Held at the Sports Ground, 24th February and 3rd March, 1934. Despite the fact that St. George only scored 25 points, as against 45 last year, on an average the performance was better than the 1933 record-breaking effort. This may seem a strange and improbable statement, but when one considers that Australian Champions, McKenzie and Dickinson, did not win a title, owing to injury, it can be easily realised the difference they would have made. Further O. Matson was unable to do his best in the Javelin, "B" Division, owing to an injured foot. He did not gain a place, which is remarkable in itself. A. Blyth, M. Moroney and G. Collins scored materially in last year's team, but did not compete this year. Thus it will be clearly seen that with such a depleted team, St. George actually did better than last year. Two titles came our way, consistent Bert Shieles winning the Javelin Throw and "Ock" Matson scored a very popular and well-merited win in the Discus Throw. He has played the part of runner-up many times, and the victory was not out of its turn.

In the 3 miles run Harry Gibbons was responsible for an excellent performance, finishing 2nd to Jack Sheaves. St. George's junior high jump star, B. Wallis, created an impression by dead-heating for second place in the Senior high jump. This young athlete has been the find of the season and shows great promise. H. Llewellyn returned to form to fill third place in the Hop, Step and Jump with a leap of 45ft. 11ins. W. Lawrence third in the "B" Division 3 Miles; A. Marsh 4th in "C" Division 440 yards hurdles; H. McPherson fourth "B" Division 440 yards flat and A. Nies third in "B" Division shot putt.

Challenge Matches: St. George contested two challenge matches at Hurstville Oval, the first against Eastern Suburbs resulting in a victory for the "Red and White" Team. This match was marred by continuous rain, E. Carey being outstanding, winning the 100 yards and 220 yards. The Annual Match against Western Suburbs resulted in an easy victory for the visitors, who fielded practically their best team. W. McKenzie in the Shot Putt and G. Keep in the 1 mile run did best for St. George. Early in the season the Royal Military College met your Club in a friendly match, which although very easily won by St. George, proved most enjoyable to both teams. It is hoped that this match will become an annual affair.

Club Championships - Senior Results:

100 yards	B. Shieles	10-9/10.	High Jump	B. Wallis	5' 5 $\frac{1}{4}$ "
220 "	E. Carey	23-2/5.	Javelin	B. Shieles	159' 9"
440 "	H. McPherson	54 $\frac{1}{2}$ s.	Discus Throw	W. McKenzie	122' 9 $\frac{1}{4}$ "
880 "	G. Keep	2m.5-2/5.	Shot Putt	A. Nies	33' 8 $\frac{1}{2}$ "

1 Mile	G. Keep	4m. 37s.	120yds. Hdles	B. Shieles	16-2/5ths.
3 Miles	G. Keep	15m.30s.	220 "	B. Shieles	27-3/5ths.
1 Mile Walk	J. Bennett	11m.50s.	440 "	B. Shieles	60-1/5th.
H., S. & Jump	B. Dickinson	45' 6"	Broad Jump	B. Dickinson	20' 9"

Outstanding performers were B. W. Shieles and W. McKenzie. Shieles not only won five titles but he also broke Club records in two hurdle events. In the 120 yards hurdles he clipped 7/10ths off his own record, whilst in the 220 yards he created fresh figures by 3/5ths. He was also runner-up in the 220 yards and 440 yards flat. Owing to sickness Bill McKenzie did not defend his Shot Putt title, but smashed his own Discus record by 8' 3 $\frac{3}{4}$ ". For the second year in succession Gordon Keep retained his middle distance titles rather easily; his 3 miles effort being only 4-3/5ths outside his own record. A fine effort considering it was practically a solo one. In retaining his 220 yards title, Ted Carey improved on last year's run by 1/10th of a second.

Club Championships - Junior Results:

100 yards	D. Pegrum	10-7/10s.	1 Mile	G. Waddington	5m. 40s.
220 "	D. Pegrum	24-3/10s.	880 yards	G. Nann	2m. 14s.
440 "	D. Pegrum	56-2/5s.	12-lb Shot	G. Waddington	36' 6"
Broad Jump	H. Gould	19' 4 $\frac{1}{2}$ "	H. S. & Jump	B. Wallis	35' 11"
High Jump	B. Wallis	5' 5 $\frac{1}{4}$ "	Discus	G. Waddington	85 feet.
Javelin	G. Waddington	119' 3"	120yds.hdles	B. Wallis	

Junior performances showed a marked improvement, four records being broken, whilst G. Nann set new records for the 880 yards and 1 mile a month prior to the Championships. Showing marked improvement Don Pegrum retained his sprint titles, breaking the 9-year-old 100 yards record by 1/5th second. He also equalled A. Robinson's 220 yards record. B. Wallis easily improved on the high jump record by 4 inches, incidentally he was only a $\frac{1}{4}$ inch outside the best ever recorded by a Junior in the Club. George Waddington also broke a long-standing record when he improved on L. Brennan's 1929 Discus figures by 17' $\frac{1}{2}$ ". This also breaks the best on record 83' 3 $\frac{1}{2}$ " put up D. Cox in 1927. Waddington's shot putt figures were also a record by .

Open Handicaps: Despite the sprinting weakness shown by club members, two of the most important sprint open handicaps were won by St. George athletes. Fresh from his Australian success, Bert Shieles scored a very fine win on the 10th February, 1934, competing in the "Carr" Cup 100 yards handicap. He was allowed 8 $\frac{1}{2}$ yards.

The "Cardinal's" Cup, held on 17th March, 1934, was responsible for a St. George surprise. Ted Carey won this 100 yards handicap by inches from the 8 yard mark. He has only competed on one other occasion in open events.

Social Activities: The third annual cabaret ball was held this year in conjunction with the St. George Hockey Club, and proved to be an excellent innovation. It was both socially and financially a splendid success and the members present are keenly looking forward to this year's function. Apart from this our social activities were not marked with the same enthusiasm as previous years and on two occasions the attendances were very poor indeed. Under the managership of Messrs. B. C. Button and H. Bennett a splendid team of St. George Athletes journeyed to West Maitland. An excellent week-end provided keen athletics together with splendid social entertainments. This trip will probably be an annual one, as our visit was deeply appreciated by the home team, whilst St. George men had an excellent time.

Balance Sheet: The finances of the Club are perhaps not so high as one would like them to be, but the moneys spent throughout the year have been really justified by results. Our Honorary Treasurer, Mr. Giles, acted in his usual efficient manner, and his books were indeed a model for the auditors. Our thanks are sincerely tendered to Ald. S. Binder and Mr. J. A. Harris for their very capable and searching work throughout the Audit.

Further we thank those who have rendered financial support namely: Messrs. J. Shanny, £1/1/-; J. J. Walsh, £3/3/-; J. Iesen, £1/1/-; G. Collins, Trophy; W. E. & B. C. Button, Trophies; G. Allen and W. Townsend, Trophy. To Mrs. Colvin we extend our sincerest thanks for her many kind services throughout the year, whilst to Mr. Walter Townsend and Mr. Frank Williams we must offer our appreciation and thanks for the consistent manner in which they have officiated at all Club fixtures over a number of years.

In conclusion I myself must thank all members for their assistance throughout the year. Further, I would like to impress the members of this Club that the need for greater co-operation is vitally necessary. I trust that the election of Office Bearers tonight will show to the fullest, just how much the members realise the need for team work among the officials. Members who stand for office without the intention of carrying out their duties in any small way are relatively a menace to the progress of this great Club of ours. So I again ask members to seriously consider their selections and by doing so they will be taking yet another step towards putting the St. George Club on the top of the Athletic Tree.

For and on behalf of the St. George District Amateur Athletic Club.

WALTER J. HASLER,

Hon. Secretary.
