46th ANNUAL REPORT AND FINANCIAL STATEMENT

PRESENTED TO MEMBERS AT THE ANNUAL GENERAL MEETING
HELD AT ELECTRICITY HOUSE, HURSTVILLE
ON FRIDAY, 9th JUNE, 1967

Gentlemen,

The 46th Annual Report and Balance Sheet of your Club is presented to you tonight and it will reveal that we have had an excellent year and particularly so during the distance season.

The membership has increased to 243 from 234 which means that we are the largest Club in N.S.W.

This membership is the second largest since the Club was formed in 1921. In 1949 we had 252 members, in 1950 - 241 members which did not include registered officials as is the case to-day.

Albert Thomas for the first time since 1955 has not gained the honour of the best athlete in our Club which this year has been gained by up and coming young John Hancock.

John's best performances during the year were as follows:

1st State 500 Metres 1m 52.2s

1st State 1500 Metres 3m 53s

5 Mile Club Road Champion 25m 41s

10 Mile Club Champion 52m 50s.

While John is considered best athlete it so happens that his performances were not as good as the previous year and probably with more concentration on speed and Club competition he will come down to 1m 47s for the half and get near to the 4 minute Mile.

The St. George Distance team performed extremely well this year and surpassed the excellent running of the 1965 team.

St. George is the strongest team in N.S.W. and they won the following State teams events and individual Championships. 10,000 Metres U.C.C., 10 Mile, 4 x 5 Mile Road Relay, V. Byrne State Novice U.C.C., V. Byrne Junior 5,000 Metres C.C.C., R. Gribble Country Marathon. Vic Byrne gained a grand double when he won both the State Novice and 5000 Metres Junior C.C. Championships and it is expected that he will now give keen support to the Senior team.

The team was runner up on 5 occasions and 3rd on 4 occasions. The team was never unplaced.

Probably the best running during the Season was the magnificent performance of gaining 6 places in the first 10 and another excellent performance was that members again won the 4 x 5 mile relay while the "B" team ran brilliantly to gain 2nd place.

Mal Hooke, Ron Gribble, J. Dowers all had good seasons and with John Hancock, Albert Thomas, Kevin Taylor, John Williams, Mick Dunn and Vic Byrne should again be to the fore in teams events.

The Club is fortunate in having a lot of promising young athletes with Sub-Juniors, Bob Langley, Allan Staples, Juveniles Chris Hunter, Kevin Warrington, Sub-Juveniles Mark Thompson, Malcolm Legge and a host of other young promising lads.

Interclub performances from our 11 teams were somewhat better than the previous year although we did not win one premiership. The teams however were runners up on 4 occasions and 3rd on 2 occasions. Our A. Grade team again failed because of its weakness mainly in sprinting, hurdles and walks. Yet in the 880, Mile, Javelin, Discus and Shot events the Club is easily the strongest in this grade.

It is difficult to pick out an athlete during the Interclub who gave so much in performance and team spirit but surely the effort of Geoff Bryan is outstanding, as running out of his age group he amassed the amazing total of 442 points for his team. Our congratulations Geoff. Chris Hunter in this grade made an interclub record of 2m 7s for the half and Kevin Warrington also in the same grade put up 7m 33s for the walk another record.

Our best performances during the State Track and Field Games Championships were the performances of John Hancock in winning the 800 and 1500 metres and the Club teams who won the 4 x 1500 Metres Relay 16m 05.0s an Australian Record and 4 x 800 Metres relay 7m 50.6s. These grand teams were: John Hancock, Kevin Taylor, Mal Hooke, Ron Gribble while Mick Dunn replaced Kevin Taylor in the 4 x 800 relay.

Len Chinnery unbeaten in Interclub in the Discus, and Shot gained 2nd place in the State Title but did not compete in the Shot.

Peter Lawler, 2nd in the State Javelin at 222' 0" was hampered throughout the season with an arm injury and did not equal his 236' 0" of the previous season.

In the Age Championships we witnessed the remarkable performance of Geoff Bryan in winning 5 titles. Officials of the Club look ahead with the keenest anticipation to this keen and popular young athlete's future.

David Stephenson while he did not win any of the age championships this year did record a magnificent 52.6s for the 400 which is a Sub-Junior record and actually better than the Junior Club record of 52.9s

Neil Groszwick competing as a Sub-Juvenile in Age Championships for the first time ran particularly well to gain 2nd place

In 9 events and during the season he rewrote the club records for 100, 220, 440 and Shot Put events.

Michael Hourigan is to be congratulated on his winning performance in the under 16 years 1500 metres in 4m19.2s. Actually Michael was our only winner in the Age Championships although we gained many places.

Members are again most thankful to John and Elaine Dowers for their fine contribution of \$100.00 to Club funds raised from their efforts on the refreshment stall throughout the year.

This report would not be complete should I fail to mention the magnificent work done by Officials and Executive Officers associated with our Club.

I purposely refrain from mentioning names as could over-look some hard working official but suffice to say that we have never been better served.

Athletes gather around your officials at Hurstville Oval, Inter-club, Cross Country and Road, Social functions, and reap the benefit of friendship and sportsmanship which is always of benefit to youth.

Congratulations to our very capable Secretary, Denis Wilson and also to his capable colleague and Treasurer, Dennis Jolliffe.

A. GAINSFORD
President

A TRIBUTE TO THE LATE RAY KELLEHER

When Ray Kelleher passed away on 23rd December 1966, our Club lost one of its oldest and most loyal members.

Ray joined the Club in 1928 and during his long athletic career the following were his best performances:-

14th July 1928 - Bondi - Member winning team Novice Cross-Country Championship of N.S.W.

15th June 1929 - Hurstville - Winner 3 mile St. George open Cross-Country event off 2min 15 secs, in 17 mins 9 seconds.

8th March 1947 - North Hobart Oval.

15th March 1947 - York Park, Launceston - 1st 3 Mile Tasmanian Walking Championship time 33m 0.6 secs.

1st - 1 Mile Tasmanian Walking Championship time 9m 4 secs.

1st September 1945 - Club Marathon Champion 3h 28m 0.7 sec.

1946 - Club Marathon Champion 3h 30m 37 secs.

On various occasions he was a Vice President of the Club, Handicapper and Assistant Starter.

Ray was one of the most jovial members throughout the years and rarely did he miss a social function of the Club. He always enjoyed company and he was jokingly known to his good friends as the "Golden Colt", which always amused him, and he also enjoyed the comments concerning his winning of both the 1 and 3 Mile Walking Championships of Tasmania.

Ray will be sadly missed, particularly by the old members, and this tribute closes with our deepest sympathy to his friends and family.

ST. GEORGE SCHOOLBOYS' CROSS COUNTRY CHAMPIONSHIP SCARDOROUGH PARK, 2nd APRIL, 1966

A record of 334 entries were received for these championships and as can be seen from the results hereunder, which were circulated to all competing schools, there were a number of fine performances. Waverley College this year, proved to be much stronger than the other schools winning the aggregate team point score from the 1965 premiers, Marist Bros. Kogarah.

The organising Committee and its convenor/manager, Mr. George Carruthers, and the many club athletes and officials who worked so hard on this day can be proud of a job well done.

It might be noted that, to encourage greater participation by local schools, the club has since decided that all future Schoolboys' Championships will be restricted to St. George District Schoolboys.

DISTANCE SEASON REVIEW

By - L. Jolliffe

The 1966 Distance Season proved to be a most successful series of meetings for the St. George Club. Whilst the Senior teams once again dominated most Harrier events, the brightest spot from the club's viewpoint must surely be the achievements of our younger athletes in State Championship titles. Our strength in future years will be drawn from these ranks and their continued success will ensure that St. George remains the premier Harrier club in N.S.W.

Our total placings in State Championship events throughout the season, in all Divisions were two 1sts, one 2nd, and two 3rds, in individual titles and three 1sts, five 2nds, and four 3rds in team events. The team events in which St. George gained first places were the three major Senior Harrier races; the 10,000 Metres Cross-Country, the 10 Mile Cross-Country and the 4 x 5 Mile Road Relay Championship.

In a sensational finish to the 4 x 5 Mile Road Relay Championship, St. George gained both 1st and 2nd places with our "C" team a very creditable 7th. Even more remarkable was the finish

in the 10,000 Metre title in which St. George athletes filled 6 of the first 10 places, probably the first time any one club has achieved such a result in this very keenly contested event. Our athletes were once again to the fore in retaining the 10 Mile team Championship won the previous year. In the 15 Mile event our team was placed 2nd and 3rd, places were gained in the Marathon and Novice team Championships.

Unfortunately our numbers in the Sub-Junior and Junior grades have been very small in recent years and we generally have not been able to field teams in these events, however our Sub-Junior athletes elected to run in the Junior 5,000 Metre title this year enabling St. George to finish 2nd. In the teams race; a most creditable performance.

In the State Road Relay Championships and the 1500 Metre titles our Juveniles team gained 3rd. place in each event, whilst the Sub-Juveniles ran very well to fill 2nd place in the equivalent events for their Division. Overall, the team results in all grades throughout the season were very satisfactory.

Although individually St. George athletes did not gain as many major placings in State Championship events as we had hoped, most improved on the previous seasons results and with many of the younger athletes having a further year to run in the same division, 1967 should result in additional placings for St. George.

Of our Senior athletes, Alby Thomas was placed 2nd in the 10,000 Metre title and with limited racing opportunities he did well to share the Club fastest time trophy with John Hancock who ran consistently throughout the season.

John improved throughout the season from 6th in the 10,000 Metres, 4th in the 10 Mile and he ultimately won the Club 5 Mile title. Jack Burnett, Ron Gribble and John Dowers ran consistently in the shorter events and turned in very good times over the 15 Mile and Marathon. Our sole Junior athlete, Vic Byrne, ran exceptionally well for a well earned victory in the State 5,000 Metre title and he gained a second title in the State Novice Championship while still a Junior.

In the Sub-Junior ranks both Bob Langley and Alan Staples had good seasons and the next two years in the Junior ranks running over longer distances should result in further improvement. Our Juveniles were not large in numbers but all ran well. As most have another season in this Division their results were all the more meritorious. Chris Hunter was placed 3rd in the 1500 Metre title and he also ran a well judged final leg in the 4 x 1 Mile Relay to take out fastest time for this event. Kevin Harrington was never far behind Chris in their races and he finished 6th in the 1500 Metre Title.

The Sub-Juveniles always turned out in vast quantities and quality was also evident. Mark Thompson gained 3rd place in the 1500 Metre title and he was followed by Malcolm and Pat Legge, Rick Harrington and the rest of the boys not far behind.

Club handicap events were always keenly contested and there was a great deal of interest in the various Point Scores. Due to the lack of numbers in Sub-Junior ranks this Division was combined with the Juveniles and this resulted in improved racing for both Divisions.

The annual match against Western Suburbs was held at Parramatta Park on the road. All races were closely contested although Senior ranks were somewhat depleted compared to previous years. The final race finished with St. George retaining the McCaffery Cup for yet another year. The club also journeyed to Kurnell for an inter-club meeting with Sutherland, Ryde-Hornsby and Bankstown-Canterbury. Our strength in the Senior, Juvenile and Sub-Juvenile races resulted in a very comfortable win on the day.

St. George were hosts for the Association for two State titles during the season — the Schoolboys' Cross-Country Championships and Novice Championships. Both days ran very smoothly, due largely to the efficient organisation of Mr. George Garruthers to whom we owe a special vote of thanks.

4th ANNUAL MENTONE MATCH AT MENTONE, 9th JULY, 1966

Eight members visited Victoria for the match which was run on the old Mentone racecourse and surrounding paddocks which were saturated by recent heavy rain. The 5 mile course had plenty of variety and would have been about a minute slower than Scarborough Park.

Results: 1. R. Gribble 27.49; 2. V. Byrne 27.51; 3. J. Dowers 27.52; 4. T. Sullivan (Men) 29.00; 5. D. Wilson 29.14; 6. M. Dunn 30.37; 10. P. Dwyer 31.00; 14. J. Jones 32.40.
J. Stammers withdrew.
Teams (5) St. George 19 pts Mentone 36 pts.

The team were well entertained and thoroughly enjoyed the trip. It is indeed unfortunate that the track match against Mentone scheduled for 10th March, 1967 had to be cancelled at the last moment due to Mentone reaching the Grand Final of the Victorian inter-club competition on that same day.

ST. GEORGE SCHOOLBOYS' TRACK & FIELD CHAMPIONSHIPS

Held at Jubilee Oval, Kogarah on Saturday, 17th September, 1966.

With the restricted eligibility for these championships there were fewer entries than in past years. Nevertheless some fine performances were recorded; 13 new records were created. Outstanding performers were:

G. O'Neill, P. Lancken, D. Stephenson and G. Bryan in the sprints.

M. Legge, B. Fitch & C. Hunter in the middle distance.
N. Creswick, G. Abbott in the Field Games.

The champion schools were Marist Bros. Kogarah in the secondary division and Dextley in the primary division.

After many years of entering for these Championships the Kogarah Branch of the Red Cross have had to discontinue their fine refreshment service, to the championships, which we have always appreciated.

The organising committee has expressed its appreciation to the schoolteachers headed by Mr. Fred Larcombe, men's and women's club officials and athletes for their assistance in conducting these championships, and to Hurstville High School for the use of their hurdles.

The champions in each event are listed below, a full list of results was sent to all competing schools

TRACK SEASON REVIEWINTERCLUB COMPETITION

We had three teams in the Senior Competition and eight teams in the Junior Competition. The final placing of the various teams were:-

A. - 6th; C1 - 2nd; E - 2nd; U17 Div 1 - 8th; U15 Div 1 - 2nd; U14 Div 1 - 2nd; U14 Div 2 - 3rd; U13 Div 2 - 3rd; U13 Div 3 - 6th; U12 Div 1 - 7th; U12 Div 2 - 7th.

SENIOR INTERCLUB COMPETITION

at E.S. Marks Athletic Field

by Ron Gribble.

Senior teams were entered in A, C & E Grades and at the close of the competition the C & E Grade teams had finished in 2nd place and qualified for the final. The A Grade team had once again finished in 6th place in the competition. Generally the attendance at Marks Field this season showed an improvement on the past few seasons and the team spirit also was encouraging. This season saw the addition of many Juniors to the Senior competition and while they found the going tough acquitted themselves well. It was a disappointment for the C Grade team to be beaten in the final as they all tried hard. The points deficit at the end of the first day was too great to make up on the 2nd day of the finals and we went down to Sydney University. The E. Grade team were unfortunate to strike a Randwick-Botany team in that grade as we most assuredly would have won in their absence. R-D were determined to win this Grade and so complete their bag of premiership wins. Our A Grade team was without a Walker and Pole Vaultier and regular Hammer Thrower this season while a good sprinter and hurdler would make all the difference and push our No. 1 team to the head of the Interclub competition. From

this year's results it seems the senior athletes are beginning to pull together and work as a team and if this is so and I feel it is then we are sure to improve next season on this season's achievements.

'A' Grade Our No. 1 team finished in 6th position at the close of the competition. Those athletes who competed regularly in this Grade did very well and gained valuable points each week. We were unfortunate to be beaten on a number of occasions.

The sprinters tried hard but were no match against other teams. The boys who did run over the short journey were mainly juniors having their 1st year in senior competition and they should benefit greatly from the experience. Ken Barber, Mike Kerin and Mike Donney were regular 100 and 200 metres competitors. The 400 metres runners except perhaps for John Hancock, while they have the stamina are lacking in speed. Over the 800 and 1500 metres journey the red and whites were always to the fore and each week gained major points, John Hancock led these runners with the assistance of Mel Rooke, Kevin Taylor, Ron Gribble, Mike Dunn and Geoff Hingerty. The 5000 metres runners also performed well with John Bowers and Vic Byrne at the top. Mike Donney was always on the move from one event to another and was our most regular hurdler and although he found it difficult to win, gained valuable points by finishing in a place.

Our field games exponents did very well, they were rarely beaten, Len Chinnery, Ron Lunt and Bob Seibokas in the Shot and Discus while Bob Seibokas prior to an arm injury and Peter Lawler were tops with the Javelin. The jumpers while a little disappointing gained valuable points each week. They will do better next season with some concentrated training. Lindsay and Dennis Jolliffe over the High Jump with Dennis Jolliffe and Mike Donney in the Long and Triple Jumps. This team sadly missed the services of a Walker, Pole Vaultier and Hammer Thrower although Fred Eggleton risked further injury to himself and hurled the hammer on occasions.

'C' Grade. This team was most successful finishing in 2nd place in the competition and met Sydney University in the final over the 2 series. At the end of the first day University had a handy points lead after some lucky breaks had gone their way. On the 2nd day our team closed the gap a little and we were finally beaten 165-134.

Jim Stammers was most consistent over the High Jump being unbeaten in this event. He improved his jump to 5' 8" during the competition and was ably assisted by John Nobbs, who was steady at 5' 4". The middle distance runners were also very consistent and rarely missed gaining major points. Denis Wilson, Vic Byrne, John Bowers, Bob Hingerty and Colin Richardson made up the bulk of the 2 and 4 lappers. The sprinters enjoyed considerable success with John Williams, John Huddleston and Colin

Richardson competing each week. They were well beaten in the final by University, however are still Juniors and showed improvement during the season. Field games athletes performed well with Mike Donney, John Nobbs and Peter Lawler hurling the discus while Mike and John were prominent with the Shot Put and Javelin. The Walkers were making their presence felt late in the season and John Bowers improved sharply over the 1500 metres to finally walk a 7min 59secs for the journey. Jim Stammers was also close up in this event.

During the final Ken Barber covered the 400 metres in 50.9 secs, his personal best, John Huddleston, Bob Hingerty and Frank Thornton assisted Ken during the season in this event. Ken was our big gun in the Long and Triple Jumps and consistently won these events, Lindsay Jolliffe, Peter Lawler and Mike Donney backed Ken up and greatly assisted in the fight for points. Ken also covered the 200 metres hurdles along with John Williams. Larry Tapfield was competing in the Hurdles and Sprints early in the season when a re-occurring knee injury forced him to rest up. There was a weakness in the 110 metres Hurdles and Larry should be a force in this event next season.

1E Grade. Was our second team to reach the finals and though the boys fought to the finish they found Handwick-Gotany too strong and were beaten to the tune of 110-66. A-D remained unbeaten in this grade of the competition.

Dave Kennelly was our top sprinter and showed good form in the finals. Dave is sure to improve. John Nobbs, Richard Googan, Jim Stammers, Denis Wilson and Ron Thomas also covered the sprints. The 800 and 1500 metres runners gained maximum points on many occasions, Frank Thornton was the main point scorer along with John Jones and Bruce Tunks who both showed improved form towards the end of the season. Alan Gunn and Richard Googan also assisted with these events. Richard Googan, Dave Kennelly, Bruce Tunks and Jim Stammers covered the 400 metres and although they found it tough going this season are sure to make their presence felt next year. Jim Stammers and Mike Donney covered the Triple Jump, and High Jump respectively and quite often won these events. John Nobbs covered the 100 metres Hurdles in 17.6 secs. to win during the final and he seems capable of knocking this time down next season.

JUNIOR INTERCLUB COMPETITION

Henson Park.

by Syd. Warrington.

Under 17 Years Division 1.

Our under 17 years team although they did not qualify for the finals, performed exceptionally well over the season and some fine individual performances were turned in by David Stephenson in the 100 metres, 200 metres and 400 metres events. Jim Weatherstone

and Michael Hourigan in the walk and distance events respectively and were ably assisted by Bob Langley also in the distance events. A pat on the back to Mick Hourigan for the determination displayed after having been laid up with pneumonia for several weeks. It was unfortunate that Garry Abbott was not able to compete every week in the field games events as Garry was successful in gaining third place in the club point score award after having competed on only six occasions which indicated the ability he has in this field. The remaining members of the team Graham Oxford, Ray Stephenson, Bob Caldwell, Geoff Derriocot, Don McIlveen, John Stewart and John Curchett all contributed their best efforts and team spirit for a reasonably successful season. David Stephenson was successful in gaining first place in the point score award with 150 points with Jim Weatherstone in second place on 126 points. Good luck boys and keep trying.

Under 15 Years Division 1.

The Interclub competition for the "Under 15's" can only be described as highly successful. We had a bad start early in the season being down at the bottom of the competition ladder. Very gradually throughout the season the team spirit of these lads was apparent as we climbed to the top of that ladder and contested the finals at the E.S. Marks Field against Ryde-Hornaby and Handwick-Gotany in a three way competition being placed second. A truly determined effort. Although every member of the team contributed their maximum effort I feel that I am duty bound to make a special mention in relation to Geoff Bryan. Geoff should have been competing in the Under 14 years age group and after the first week of the competition it was apparent that his ability was such that he qualified for promotion. Although he was competing one year above his age he scored an outstanding point score total of 642 points. Truly an amazing effort. Kevin Warrington improved immensely with his walking to mount the victory this breaking the previous record time of 7min 42sec by 5 seconds. Three weeks later he broke his own record by a further 4 seconds, to record 7min 33 secs. Chris Hunter was successful in taking the half mile record 2min 7 sec and was placed in every event entered. Stewart Coe, Mitch Jones, Steven Keegan, and Neil Wiley all performed well over the whole season to get the team to the finals. Bruce Coe proved another outstanding performer by gaining valuable points in the sprint and hurdle events. It was unfortunate that Bruce was not able to turn out every week as he displayed an amazing amount of talent and perseverance. As previously mentioned, a very successful season and we feel that this year we will take out the finals for our club.

Under 14 Years Division 1.

This team comprised of Garry Fitch, Rod Harris, Steven Gee, Mark Thompson, John Whelan, John Fisher, Steven Durns and John Clarke, and had a satisfying Inter-Club competition, commencing with a win and had only one defeat during the whole competition to enter the finals against Western Suburbs only to be defeated

at the E.S. Marks Field. Although defeated they were done so in glory and disappointment was shown but they were even more determined to "thrash" the premiers this season. The Sprint, hurdles and field games events were contested mainly by Garry Fitch, Rod Harris, Steve Gee and Steve Durns, whilst the walk and distance events were contested by Mark Thompson, John Whelan, John Fisher and John Clarke. All in all a good competition and good luck for the 1967-68 season.

Under 14 Years Division 2.

The Under 14 years division 2 team were quite unlucky not to qualify for the finals. Some excellent performances were turned out by the athletes. Jim Byatt showed outstanding ability in all field games events and sprints and consequently gained first place in the Clubs points score with 138 points with Dave McGrath a close second with 137 points and Phillip Foster in third place on 94 points. All the boys tried very hard for their club which comprised of the previously mentioned competitors and included Jim Lawrence who was always trying in the distance events assisted by Paul McDougall and Norm Whittaker. Bill Mallett was outstanding in the sprint events assisted by Phil Foster and Jim Byatt. Kerry Yates and John Norman made up the remainder of the team. We feel sure that these lads will make their presence felt in the 1967 Inter-Club season.

Under 13 Divisions 2 and 3.

The 1966-67 track season saw Neil Creswick join our Club which was to our's and Neil's advantage. This lad has shown such promise that if he continues his interest in the athletic field he must make championship material.

Castling our minds back some years when Geoff Bryan became a member of our Club we see the similarity in athletic ability of Neil and Geoff and we feel that Neil will follow in Geoff's footsteps and become a young champion. The point score award first place was taken out by Neil with 262 points with second place going to Rick Warrington who was the backbone of the distance running events. Third place went to David Gee who was a valuable asset to his team throughout the whole competition. The remainder of this team comprised of Robert Peck, Bernard Agnew, Lindsay who assisted greatly in the sprint and hurdle events, Peter Munday, Bill Rae and Bill Worrell who was promoted from the under 13 division 3 because of his sprinting and hurdling ability.

Due to the very large number of under 13 competitors two teams were entered and the second team comprised of Damian McGuckin, Tony Clifford, Andrew Douglass, David Wood, Len Franks and Greg Fallon. It was unfortunate that some of the lads lost interest half way through the season and as a result the place gained in the competition table was not high. Our congratulations to those who turned out each Saturday and showed the team spirit so evident of our Club members. The point score was won by David Wood from Damian McGuckin in second place with Andrew Douglass filling third place. Thank you fellows for your efforts.

Under 12 Divisions 1 & 2.

As in the previous age group mentioned the entries in the under 12 years was such that two teams were entered in the competition and both distinguished themselves in their respective teams.

The division 1 team comprised of Darryl Bryan (brother of Geoff), Peter Fitzpatrick, Geoff Siden, Peter Lanken, who was promoted from the division 2 team because of his ability, Malcolm Legge who captured the 1500 metres record in his first appearance, Steven Loveday, Graham Tait and Ian Anderson. All of these lads tried their very best for their team and our congratulations are extended to all for their outstanding efforts. The point score award was won by Peter Lanken on 87 points with Darryl Bryan on 76 points in second place and Geoff Siden in third place on 72 points.

The division 2 team produced some outstanding young athletes in the form of Anthony Owen, Garry Beer, Bruce Douglass who unfortunately had to enter hospital midway through the competition and his place was ably filled by Guy De-Garli. These lads formed an excellent relay combination as well as in the sprint events. Paul Ryan, Craig Smith, Brian Pick, and Greg Walsh all tried in the distance events and were generally quite unlucky not to make the final. However the prospects appear very bright for the forthcoming season.

I wish to take this opportunity to offer my personal thanks to Reg Hunter who assisted in the management of the eight teams entered in the competition for without his assistance, it would have been an almost impossible task. Thank you again Reg and to Neville Weatherstone, Mrs. Lanken and others who assisted from time to time as Officials.

SUB-JUNIOR INTERSTATE CHALLENGE, N.S.W. -v- QLD. in Sydney on 21st, 22nd January, 1967

D. Stephenson, G. Bryan, C. Hunter, G. Abbott, G. Derriott, K. Warrington, J. Weatherstone, were selected to compete in the Team Trials. Gary Abbott with a 2nd place in the Hammer Throw Trial 104' 0 1/2" was selected in the team but was unable to compete due to illness.

N.S.W. versus QUEENSLAND MATCH BRISBANE on 21st, 22nd JANUARY, 1967

A number of our athletes were invited to nominate for selection in this team which paid its own expenses. Only Ron Lunt and Peter Lawler were available and duly received some financial assistance from the Club. Denis Wilson acted as State Team Manager for the match.

Peter Lawler was 2nd in the Javelin Throw with 218' 5" whilst Ron Lunt was 3rd in the Discus Throw 130' 10" and 5th in the Shot Put 41' 1 1/2".

STATE CHAMPIONSHIPS 4th, 5th FEBRUARY, 1967.

Our athletes collectively did not gain as many placings in these championships as they have in past years.

Our major placegetters were:

SENIOR:

J. Hancock	1st 800m, 1m52.2s; 1st 1500m 3m53.0s.
M. Rooke	2nd 1500m 3m54.2s; 3rd 800m 1m54.4s;
R. Lunt	2nd Shot Put 43' 1 1/2"
H.L. Chinnery	2nd Discus Throw 147' 9"
P. Lawler	2nd Javelin Throw 222' 0"
J. Stammers	3rd High Jump 5' 8"
J. Dowers	4th 3000m Steeplechase 9m 42.2s
M. Dunn	4th 800m 1m 56.7s
K. Taylor	4th 1500m 4m 00.0s

The club's middle distance strength was demonstrated by the fact that we had six athletes in the 800m and five athletes in the 1500m final and in the middle distance relays.

J. Hancock, K. Taylor, M. Rooke, R. Gribble - 1st 4 x 1500m Relay	16m 05.0s Aust. Record
M. Dunn, R. Gribble, M. Rooke, J. Hancock - 1st 4 x 800m Relay	7m 50.6s

AUSTRALIAN T & F CHAMPIONSHIPS, ADELAIDE

26th, 27th February, 1967

The Association Management Council this year decided that only those athletes who had bettered the Union standards for individual competitors could be considered for selection in the State Team. Unfortunately the status of these standards is not uniform for all events and John Hancock although dual State Champion could not be selected to represent his State. Many believe that John, given the opportunity, would have given a good account of himself in the Australian 800m and 1500m Finals.

Peter Lawler and Len Chinnery were selected in the State Team but Len had to withdraw because of business commitments.

Peter as our Lone Club representative was 5th in the Javelin Throw with 220' 6".

N.S.W. AGE CHAMPIONSHIPS

25th, 26th February, 1967

Despite rain showers on Saturday and continuous rain and a soggy track on Sunday the young athletes were undeterred. Our outstanding athlete was Geoff Bryan with five wins in the Under 14 division. 100m 11.7s; 200m 24.9s; 400m 56.9s; Long Jump 19' 9 1/2"; High Jump 5' 0". 2nd Triple Jump 34' 11 1/2".

Other athletes to do well were:-

D. Stephenson,	3rd U16 100m 11.3s; 2nd U16 200m 23.8s;
	2nd U16 400m 55.0s
M. Hourigan,	1st U16 1500m 4m 19.2s; 4th U 16 800m 2m8.5s

G. Abbott,	2nd U16 Discus 115' 7"
G. Hunter,	2nd U15 800m 2m 7.6s; 3rd U15 1500m 4m 25.5s
G. Flich,	3rd U14 200m 25.9s; 3rd U14 110m Hurdles 15.8s;
	4th U14 800m 2m26s.
R. Harris,	3rd U14 80m Hurdles 13.5s; 3rd U14 Triple Jump 34' 6 1/2"; 4th U14 110m Hurdles 15.9s
N. Creswick,	2nd U13 100m 12.9s; 2nd U13 Long Jump 15' 8 1/2"; 2nd U13 Shot Put 37' 4"; 3rd U13 200m 27.7s.

HURSTVILLE OVAL

Attendance by younger athletes at the Club's Tuesday night club competitions was very good in fact in the Sub-Juvenile Division a large number of heats had to be conducted. A new handicapping system operated by the Handicapper, George Avery, and Track Secretary, Syd Warrington proved invaluable.

POINT SCORESSUB-JUVENILE:

R. Warrington	46pts
N. Creswick	37pts
L. Gee	30pts

JUVENILE:

G. Hunter	50 pts
J. Fisher	39 pts
S. Gee	34 pts

POINT SCORES (Cont).

SUB-JUNIOR

J. Weatherstone	47 pts
J. Dunchett	36 pts
R. Stephenson	27 pts

SENIOR/JUNIOR

C. Richardson	44 pts

2. Inter-Club Match between Bankstown-Canterbury, Randwick-Botany, Sutherland and St. George at Hurstville Oval on 17th January, 1967.

This meeting proved very successful athletically and there was good spectator support. Outstanding amongst our Club athletes were:- David Stephenson 52.9s Sub-Junior 440 yards, a Club Record. David also ran 10.5s in the 100 yards which was the same time as Gary Knake (R-D) recorded in winning the Senior event.

Geoff Bryan with Club records in the Juvenile Long Jump 19' 0" and 44' 3½" with the 6lb Shot.

Neil Creswick in the Sub-Juveniles with runs in 100 yards 12.0secs and 34' 1" in the Shot Put also created Club records.

CLUB CHAMPIONSHIPS

31st January, 7th, 14th, 21st, 28th February, 1967

Club records were created in Sub-Juvenile Division by Neil Creswick in the 220, 440 and Shot Put and by David Cox in the High Jump.

Geoff Bryan created records in the Juvenile 440 and Triple Jump and Kevin Warrington lowered his own record in the Walk.

The only other record was by Ken Barber in the Junior 440 when he lowered Frank Thornton's long standing record.

Once again we have been fortunate to have a dedicated couple, Elaine and John Bowers, providing refreshments to athletes, every Tuesday evening during the summer and Saturday afternoon during the winter, and at the same time making a handsome profit for the Club. Thank you once more, Elaine and John.

The social event of the year for the Club is the Annual Ball which is always very well conducted by the Social Committee. Both clubs receive the benefit of the profits from the Ball.

WALKING BOARD REPORT

With the transfer of Brian McIlhennine, St. George is without a member of the N.S.W. Amateur Race Walking Club. However, during the 1966-67 inter-Club season, quite a few members competed in walking events on the track, and in some cases gained valuable points for the Club. The most consistent members were:-

Grade G1 - 1500 metres	John Bowers, Jim Stammers
Grade U17 Div 1 "	Jim Weatherstone
Grade U15 " 1 "	Kevin Warrington, Neil Miley
Grade U14 " 1 800 metres	John Fisher, Jim Clarke
Grade U14 " 2 "	David McGrath, Greg Walsh

Without doubt, the outstanding St. George walker during the inter-Club season was Kevin Warrington. With the exception of a couple of events in January & February, he was consistently first in his division, and had a personal best of 7.33 for the 1500 metres on the 10th December 1966, an inter-Club Record. As a comparison, his times generally would have won him a place in the G1 division at the Sydney Athletic Field.

An interesting programme of Road Walking during the winter season is conducted by the N.S.W. Amateur Race Walking Club at

Centennial Park, and comprises Club, State and Australian Championships, as well as club handicap and trophy events. New events included this season, are 'Open' walks sponsored by certain Amateur Athletic Clubs, and conducted in their own Districts by the Walking Club. Another completely new event to be held in August will be a NSW Road Walk for School boys:- Open 3000 metres, U14 & U16 1500 metres.

Club members who are interested in competing regularly during the winter season, are eligible to join the N.S.W. Amateur Race Walking Club. Further particulars can be obtained from Les Cossart, the Club Delegate to the Walking Board.

As a guide to prospective walkers, the definition of 'Walking' as set out in the International Handbook is reproduced for information:-

"Walking is progression by steps, so taken that unbroken contact with the ground is maintained."

Briefly, this means that the heel of the advancing foot must make contact with the ground before the toe of the rear foot leaves the ground, and that during the period of each step when a foot is on the ground, the leg shall be straightened (i.e. not bent at the knee) at least for one moment.

To obtain speed in walking, and at the same time comply with the above definition, means practice, and then more practice. Senior members of the Walkers Club would be only too pleased to assist and advise interested members.

L.J. Cossart
Delegate to NSW Walking Board

REPORT FROM AMERICA.

Five of our members are in U.S.A. at the present time, David Chisholm, Jeff Duxbury and Ian Sharpe at the Southern Illinois University; Greg Glynn - University of Texas; Gary Friend - University of Houston. We hear from the boys from time to time. It appears that they are kept busy on occasions with two or three races on the one afternoon.

Gary has been jumping over 24 feet in the Long Jump and is a member of Houston's sprint relay team. Greg has found some good form with a best of 221' 0" in the javelin.

Ian jumped 23' 6" and 48' in the Long Jump and Triple Jump respectively in 1966. David ran 26th in the U.S. T. & F.F. cross-country champs 6 mile 31.20. Indoors he ran 9.24.8 steeplechase and 9.30.0 - 2 mile.

Jeff has been running consistently well with best in 1966 of:

4:07.5 mile; 1:50.2 - 800 (5th place U.S.T. & F.F. Champs); 49.3 - 440; 9.33 - 2 Mile, 11th in U.S.T. & F.F. cross country 6 mile 30m 37s. Some of his 1967 performances are: 25.2.67 - 1:11.1 1000 yards indoors
21.3.67 - 4:14.0 mile; 35 minutes later 800 - 1:51.5
31.3.67 - 49.0 $\frac{1}{4}$ in mile relay and 2:50.5 for $\frac{1}{2}$ mile in distance madley.
15.4.67 - 4:07.6 mile 40.7 mile relay leg.

We look forward to having them back to boost up the local team.

CLUB MEMBERSHIP

Whilst the total club membership has increased slightly during the year, there has been a serious continued decrease in the number of seniors, see the table hereunder. When it is remembered that a large proportion of the seniors are middle distance and distance athletes our track and field team looks very slender.

SCARBOROUGH PARK NATIONAL FITNESS ASSOCIATION

1966/67 saw the new National Fitness Hall being successfully used as our cross-country headquarters. There is no doubt that Scarborough Park has the best club cross-country facilities in the State.

Rockdale Municipal Council has carried out improvements to the park area and when the hall was officially opened in February 1967, the area was a credit to them. At the opening, Mr. A. Gainsford, our President, was in the official party from the Association; Club athletes, in force were exercising and training in the park on this afternoon.

A.H.A. OF N.S.W.

The Club was active in Association affairs during the year.

Mr. Alleyne Gainsford, as the Senior Vice-President of the Association, again acted on a number of occasions as President

during the absence of the President, Sir Charles Moses. Mr. Gainsford is also Association delegate to the N.S.W. Olympic Council.

Mr. Les Cossart, who is very active in the Association as a member of the State Executive and State Walking Board, was Manager of the State Walking Team and the State T. & F. Team to the Australian Championships in Adelaide.

Mr. George Carruthers, who again superbly organised and managed a number of Harrier meetings including the State Novice, Marathon and Schoolboys', also acted as Association Auditor.

Mr. Fred Eggleton is Association Equipment Officer, Chief Throwing Judge and President of the Throwers' Club.

Messrs. Barber, Carruthers, Cossart, Eggleton and Short and Mrs. Cossart regularly acted as officials at all Track and Field Meetings. Mrs. Cossart has also been assisting in the Association Office while permanent staff is unavailable. Mr. Denis Wilson served on the State Selection and Constitution Committees.

COMMENTS ON ANNUAL FINANCIAL STATEMENTS

by Dennis Jolliffe

During 1966-67, cash on hand and at the bank increased from \$359.41 to \$518.43, mainly due to a levy imposed on club members for the Club's contribution of \$200.00 towards the Scarborough Park National Fitness Association in 1965-66. The levy, which was included in Annual Subscriptions amounted to \$177.50. Gate takings at Hurstville Oval increased, as a result of both increased entry fees and also increased attendances by younger athletes.

Social fund contributions and refreshment proceeds from John Dowers, although not received during the year, amounted to \$00.00 and \$100.00 respectively and will be reflected in the 1967-68 annual accounts. I would like to take this opportunity of thanking the Social Committee and John Dowers for their very appreciated contributions to the club.

Printing, postage and stationery expenses totally \$297.20 are dissected as follows:- Annual Report \$110.23, Stamps \$70.30, Duplicating \$55.80, Club Championship Certificates \$28.50, Letterheads \$22.00, other \$9.87.

I would like to extend my thanks to R. Towers for so willingly donating his services in auditing the Club's books.

ST. GEORGE LADIES' CLUB

The ladies and our Club co-operated closely on the conduct of Tuesday night competitions during the summer season. The assistance of the ladies at our Schoolboys' Championships is gratefully acknowledged.

The ladies of the combined social committee kindly provided supper and afternoon teas at the Club's major functions, such as the Annual Meeting, Presentation evening and Cross-Country Championships.

CONCLUSION

This year has seen a greater amount of club official work being undertaken by athletes' fathers. In particular, Mr. Syd. Warrington as Track Secretary and Junior Inter-Club Manager, ably assisted by Mr. Ray Hunter, was a tower of strength. Mr. Nev. McGuckin was an inspiration during the Cross-Country season as organiser, handicapper, awards (very much appreciated by all athletes) officer and publicity officer. Mr. Ray Patmore lead the cross-country athletes in valuable warm up exercises.

Mr. Steve Hill put the boys through their training paces, particularly over the hurdles, on Tuesday night during the summer season.

With the increase in the number of young athletes we look for more parents to come forward and assist, shall we say, our "veteran" officials.

The assistance of Lindsay Jolliffe, Ron Gribble, Dennis Jolliffe, Les Cossart, Syd. Warrington etc. in compiling this report is gratefully acknowledged.

Your Executive has met as often as required to deal with matters of urgency and organisation, often at very short notice from the Secretary.

We are indebted to the many people who have assisted us in many ways during the past year. In particular we are grateful to the St. George District Rugby Union Football Club for the use of their premises for Club meetings.

Thank you one and all for your support and assistance during 1966/67.

D. Wilson
Hon. General Secretary
for the Executive Committee.
