PRESIDENT'S REPORT

PRESENTED TO MEMBERS AT THE ANNUAL GENERAL MEETING HELD AT SCARBOROUGH PARK NATIONAL FITNESS HALL, RAMSGATE ON FRIDAY 30TH JUNE 1989 AT 7.45 PM

Ladies and Gentlemen

The 68th Annual Report and Balance Sheet is presented to you tonight and the report will show that we have had a most successful Winter Season with many outstanding performances. The Track Season results will show quite an improvement compared with performances for the past four years. Once again Scarborough Park was a hive of activity during the Winter Season. As usual Scarborough is a real centre for athletes with the best facilities in the State. It is apparent that parents of our younger athletes enjoy the Park.

Winter Season - Men

St George gained 3rd place in the State Premiership. We certainly had the best distance runners but again failed to fill teams in all State Championships. Our record in Winter Interclub, which commenced in 1977, is as follows:

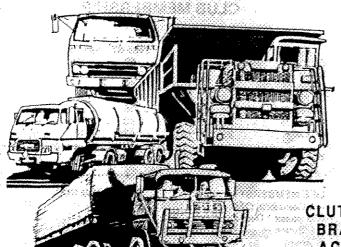

1977 - 1st	1978 - 1 st
1979 - 3rd	1980 - 1st
1981 - 2nd	1982 - 5th
1983 - unplaced	1984 - unplaced
1985 - 3rd	1986 - 2nd
1987 - 2nd	1988 - 3rd

Results of State and Club Championships will be found in Chris Stratford's report.

John Andrews by his magnificent running during the year, at International and Australian level, was our best senior athlete. His best Performances would be over 5000m, 13m36.54s, at Melbourne, and the Chicago Marathon, 2hr14m44s, on 13th October 1988. His other outstanding performances can be found in Arthur Peek's and Chris Stratford's reports. John, by his performances, was adjudged the best Senior Athlete and this entitled him to the Alleyn Gainsford Trophy. With distance runners of the calibre of Andrews, Whitty, Young, Hansard, McRae, McLean, Nobbs and Vassallo, we should again do well in Senior State Championships. Senior distance runners are expected to compete at State Championships if we are to maintain our great record since the Club was formed in 1921.

Winter Season - Women

Our women athletes have had an outstanding season and I think it necessary that they come under a special heading. Their State efforts in team events is quite magnificent as follows:

> 7 firsts 5 seconds

In the younger group we have quite a number of promising girls and, in a few years, they will make their presence felt at junior level and later within the senior ranks.

The women's outstanding achievement was the winning of the State Premiership. Congratulations to Michelle Dillon for winning the State 3km CC U16 in 11m36s. This young lady is improving all the time and in a few years she could win senior State Championships. Again congratulations to Barbara Mrakovcic, Lisa Zammarrelli, Linda Horrocks, Lisa Hopkins, Beth Walsh, Stratford girls, Mandy Dovey, Louise Bennett, Annette Gaborov and that great trier, Narelle Hocking.

Most of these girls have been in amongst the State Medals. Many other younger girls are showing promise and it is hoped that more women athletes will attend Interclub next Track season.

Club Membership

At 141 can be improved. It is 4 above last year's numbers. We keep in mind that in recent years our numbers have gone down approximately 17 each year which, in effect, means that this year we have increased membership by approximately 21. A membership Committee I still feel could help to increase our numbers.

Just a few years ago Arthur Peek, Alan Staples, Bob Molloy and myself met officials of the St George Little Amateur Athletic Club, together with officials of the St George Women's AA Club to discuss the possibility of using Olds Park as our Headquarters for the Summer Season. Other meetings followed and last Track Season we had our first Summer Season at Olds Park, which is the property of Hurstville Municipality. By going to Olds Park we met with immediate success, with an attendance of 40 to 50 members each Wednesday night. I feel the move to Olds Park mainly responsible for our increased membership. I take this opportunity of congratulating Arthur Peek for his organising and the tremendous work that he has done at the ground, and all members should respond in some way or attend the ground as some reward for Arthur's efforts.

From the excellent Financial Statement and Balance Sheet prepared by our Treasurer, it can be seen that the Club is in a very sound financial position. The level of Club funds stands at \$12,778.72 which is a record and is most satisfactory. Athletes have benefitted to the extent of \$1300 for travelling expenses, mostly for Interstate and overseas.

Donors to Club funds are thanked for their contributions but we must remember those officials and members who promote and financially support Club functions throughout the year.

Thanks once again to the Ladies' Committee which raised approximately \$3,000 during the past twelve months. The Committee is headed by Vice President, Pat Donnelly.

Again a special Thank You to Bill Seary who was responsible for

the magnificent help from the Southside Masters Fun Run. For the next Fun Run Bill needs additional help, especially at executive level,

we must also keep in mind the great financial help we receive from Buttercup Bakeries for the Annual Schools' Track and Field Championships. The next 49th Annual Championships will be held at Olds Park for the first time on Sunday 22nd October 1989.

I close my report a proud President. I wish you all well for the coming twelve months, 1989/90.

1988 DISTANCE REPORT

by Chris Stratford

The 1988 Cross Country season proved to be a great success for St George with many team and individual successes, but undoubtedly the highlight was the winning of the Women's Harrier Winter Premiership. Our club won with 42 points and Bankstown Sports second on 26 points. Our warmest congratulations to all who competed in the Open Female competition, namely B Mrakovcic, L Bennett, C Batman, N Hocking, L Zammarrelli, C Stratford, S Stratford, L Hopkins, M Dovey and M Dillon.

St George came 3rd in the Men's Harrier Winter Premiership (33 points) which was pleasing since we gained no points from the first two premiership events. Our main concern is the lack of athletes competing in the marathon championship.

Team highlights for the season were:

WOMEN	Open 15km Road	first
	Open 4x5km Road Relay	first
	Open Novice Championship	first
	Under 20 4x3km Road Relay	first
	Under 16 3km Cross Country	first
	Under 14 2km Cross Country	first
	Under 14 4x2km Road Relay	first
	Open 8km Cross Country	second
	Open 6km Cross Country	second
	Under 20 5km Road	second
	Under 18 4x3km Road Relay	second
	Under 12 2km Cross Country	second
MEN	Open 15km road	first
	Open 8km Cross Country	first
	Under 20 10km road	first

In the NSW Distance Runner of the Year (1988) our most successful runners were:

second

Open 4x10km Road Relay

Men	•		Wom	en	
6th		40 pts	2nd	Barbara Mrakovcio	: 44 pts
8th	Stephen Nobbs	26 ots	9th	Louise Bennett	24.5 pts
13th	Lawrie Whitty	18 pts	11th	Mandy Dovey	17 pts

During the season we saw many fine performances from St George athletes, but special mention should be made of the excellent efforts from John Andrews when competing at Narrabeen and Pier One. For those able to witness the events we saw a class athlete dominate two excellent fields. Stephen Nobbs' performances this year were very good and he was running better than he has for a couple of seasons. In the Road Relays, Lawrie Whitty excited the small crowd on hand with his determined running in the last leg of the relay by nearly snatching victory with a run of over two minutes better than his Sutherland rival. Lawrie, in fact, started the last leg in fifth place and the crowd buzzed with excitement as he powered his way past rival after rival but narrowly failed to overhaul the winner.

Special thanks go to Barbara Mrakovcic who competed in all Premiership events and she must be well satisfied with her results during the winter season. Last, but not least, the club appreciated the efforts of Rory McRae, Gary McClean, Paul Gallaher, Andrew Mrakovcic and Bruce Hansard for frequently representing the club at Premiership events.

In the younger age groups we have a flourishing Under 12 competition and some races on Saturday at Scarborough attracted large fields. We have a very fine group of female athletes from Under 12 to Under 18 and this was proved by some excellent individual and team performances. We were pleased with the fine running of Andrew Kelly and Jolyon Rice who joined the club this season and the improvement shown by Geoff Argall.

During the 1988 Winter season St George gained minor successes in the Road Walking Championships. Suzanne Stratford was second in the NSW Schools Championships and her sister, Christine, continued her good form from the summer by coming third in the Under 16 Championship. St George has not had a lot of success at Road Walking over the years and these minor successes can only help to build our club.

I would like to thank, very much, all those club members, their parents and friends who helped as officials during the season, and in particular the social committee, whose members devoted many hours to help raise funds for the club and its athletes.

TAREN POINT 10KM FUN RUN

(17th April 1988, Taren Point)

This was the second time this Fun Run has been held and the race attracted a reasonable field of approximately 300 runners, and although we would have hoped for more, the quality of the field was evident. The race was won in fine form by Jamie Harrison and minor placings going to Steve Poulton and Paul Arthur. The Women's category was won by Lynn Clayton and minor placings going to Christine Batman and Michelle Dillon.

Earlier in the day two 3km races were contested and competition was keen with a good number of teams entered with the hope of winning computers for their schools. St George athletes supported both events and many gained placings in age and team categories.

1988-89 TRACK SEASON REPORT by Arthur Peek

The 1988-89 summer track season was a busy time for our club athletes. Competition was available most weeks throughout the season at various grounds. Our club has had a successful start at our new ground at Olds Park, Penshurst, where competition was held most Wednesday nights during the season.

The Interclub track and field season saw a combined team from St. George, Bankstown Sports, Revesby Workers and Nepean entered in the B Grade competition. This combined team in the men's competition was competitive throughout the season and finished second in the premiership. The women's team was also a combination of several clubs and was entered in B Grade. This team also fared well throughout the season and finished in fourth place. The men's and women's "B" Grade was at Sydney Athletic Field.

An excellent result was obtained in the men's and women's "D" Grade competitions with both teams winning their competitions after some close competition early in the season. Competition was held at Hensley Athletic Field and unlike the competition at SAF which was held over nine weekends, the "D" Grade premiership was held over 17 week ends of competition. On five of these competition days ALL Sydney metropolitan interclub was held at Hensley and all were in the "D" Grade competition.

The NSW Amateur Athletic Association held a series of Twilight Meets at SAF, the Angus and Coote Shield competition at Chatswood Rotary Athletic Field and Southern Zone Interclub, incorporating Southside Masters events at Sylvania Waters. Illawong AC also held their regular club night on Fridays. Our club athletes found plenty of competition throughout the season at all the various venues which provided an excellent build up for the State Championships held towards the end of the season.

Excellent results came from the small number of teams entered in the NSW Relay Championships, with two gold and two silver medals

Results of State and National Championships are shown in detail in this Report. Several club athletes recorded excellent results, with our most outstanding athlete for the summer seas being John Andrews. During a period of two weeks John ran three superb 5000 metre races. John's run at Olympic Park, Melbourne set a new club record, and then won the Australian Championship one week later.

COMMENTS ON ANNUAL FINANCIAL STATEMENTS

by Dennis Jolliffe

Over the past five years, the Club funds have fluctuated as follows -

As at 31, March	Club Funds	Movement
1985	\$5,581.04	\$826.05
1986	\$6,407.09	\$1,160.06
1987	\$8,567.15	\$1.798.94
1988	\$10,366.09	, . , = =
1989	\$12,778.72	\$2,412.63

The Club is at its strongest financial standing ever. In February 1989 the Club took advantage of high interest rates and invested \$6,000 in GlO deposits at 17% pa for 12 months. The growth in Club funds is due to the fund raising efforts of Club members, particularly those associated with the sale of refreshments, raffles, and organising the Southside Masters Fun Run. Financially, there is little benefit from our cross country races or the Schools Track and Field Championships. However, these promotions do contribute to Club funds with refreshment sales, and in the case of the Schools Championships, with the generous sponsorship of Buttercup Bakeries. With the move to Olds Park and the consequential improved attendances, once again track competition is contributing to Club funds.

Cross country activities are at the heart of our Club, and even if they ran at a loss, the goodwill, comradeship and enthusiastic competition would be sufficient reward.

During the year the Club purchased a stopwatch with paper printout, and this has assisted in recording of results of both cross country and track races.

Although Club membership fees are high, most of these fees are forwarded to the Association to cover registrations, affiliation fees and insurance. Very little, if any, is left for the benefit of the Club.

I would like to thank all members of the Executive for the assistance in handling financial transactions over the past year. I would also like to thank David Carlisle who has diligently and conscientiously audited the Club's books now for several years.

Team fund payments to and amounts received in respect of individual athletes are

SOCIAL COMMITTEE REPORT

There were no social functions during the 1989 season, yet the Saturday afternoons at Scarborough Park were in themselves like social gatherings.

A friendly atmosphere is very evident in our Club and new members are most welcome.

The ladies of our Committee are most helpful and this helps to make things go smoothly.

32 - St George Athletic 89

The weekly raffle is very popular and together with sales of sweets and drinks helps to increase our Club financially. Most of our income is raised from Scarborough Park and our championships days

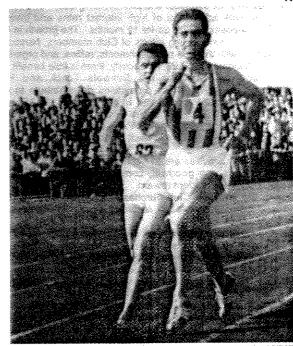

Organising is always necessary and particularly when we have Championship Carnivals. On these occasions we are always happy to have people come forward and offer help.

It is noticed that most of the income comes during the Winter season and we look forward to members organising social functions during the Summer season.

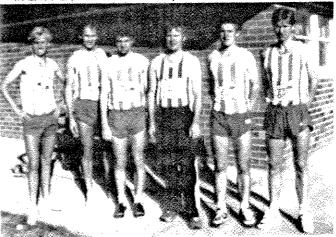

Special thanks to Pat Donnelly and her helpers for organising the refreshment stall each Saturday at Scarborough and also a special thankyou to Greg Page for his great help of equipment on the "big days".

Very sincere congratulations to the ladies for raising approximately \$3000 towards Club funds.
