ALAN STAPLES

ALAN STAPLES

Alan Staples having run 100 miles in less than 24 hours (22 hrs. 54 min. 56.5 sec. 30/3/86), puts him into an elite group along with the late Percy Cerrutti. The "quite achiever" is a wonderful example to all members of our club and we wish to congratulate him and present him with this trophy to commemorate such an outstanding achievement.
